Light Up!

Contemporary lighting that is exclusive and affordable; These are the fundamental concepts that define Access Lighting. Combine these ingredients with a desire to provide phenomenal service and timely shipping, and you have a clear understanding for the drive behind Access Lighting and the reason that we have blossomed into your source for contemporary lighting.

Access Lighting is family owned and operated by individuals who have a genuine desire to provide “good old-fashioned” customer service fueled by honesty and integrity. This approach to business can be found in each and every associate, all of whom work tirelessly to make every interaction with Access Lighting a pleasurable experience.

Access Lighting is focused on catering to you, our valued customer, to whom we are grateful for our continued success. It is with you, the customer, in mind that we make our product choices, traveling far and wide across the globe to source state of the art, contemporary lighting. We make every attempt to obtain product that offers great options for a variety of applications, and we are often inspired by the requests and ideas of our customers. We choose lighting that is extraordinary, affordable and cutting edge. Our energy efficient program includes a comprehensive collection of fluorescent fixtures, custom built to meet your needs. In addition, we have always felt that is vital, as a company, to stay abreast of the latest technology and this is evident in our ever growing collection of contemporary LED fixtures.

It is with great pleasure that we present to you, our latest catalog, “# 22”. We are truly proud of this catalog. We see it as representation of the phenomenal growth that our company has experienced in terms of our understanding and appreciation for contemporary lighting, and the current trends. We hope that you will find this catalog a useful tool, and that it will assist you in making your job even more pleasurable.

Sincerely,

H. Rosenblatt
President | Access Lighting

Marine Grade Wet Location, for use in extreme Saline conditions (sea front properties)

Wet Location For outdoor use, not intended for applications near extreme Saline conditions

Damp Location For use in applications not in direct contact with water, or not for use outdoors with Saline conditions (under cover but not close to sea front)

Dry Location For use in indoor applications not in direct contact with moisture

Location Rating

Certifications

UL / CUL / CETL

Certified UL, CUL or CETL. All fixtures are certified by these accredited testing laboratories for wet, damp or dry locations as noted.

Fluorescent Available / Energy Efficient

Fixtures with **Fluorescent Available** can be converted to energy efficient lighting. **Access Lighting** are proud Energy Star Partners.

ADA Compliant

Fixtures with **ADA** comply with the Americans with Disabilities Act. (Extends 4" or less.)

Lamping Specifications

Halogen 12v JC (G-4 Base)
