

Lighting

that defines your style™

Welcome

All the comforts
of home for more
than 70 years.

Since 1938, Kichler has
offered so much more than
just distinctively beautiful
lighting. We've also backed
each style with award-winning
craftsmanship, unparalleled
quality and superior service.
Our goal is simple:
to fill your house with the
comfort of home.

Lighting that defines your style.

Kichler Lighting offers a distinctive array of lighting solutions that reflect your individual personality, tastes and plans. We believe that lighting should exceed functionality and transform your spaces into stunning, inspiring settings. Lighting that energizes, as well as enhances your life.

Kichler brings you an unparalleled variety of exciting style families, unique finishes, fresh colors and unequalled quality. Simply select a style and then choose among the many fixtures – from Chandeliers and Chandelettes® to Wall Sconces and Ceiling Mounts along with matching Ceiling Fans – all provided within the very same distinctive family collection.

That's Kichler® Lighting.

Lighting that defines your style™.

What's Inside?

Today's homes vary as much as the people who live in them. Different tastes, lifestyles, inspirations, cultures and budgets all influence the way we live and the way we decorate. But there's at least one need shared by all: stylish, functional lighting.

New Traditions

Our New Traditions Collections, ranging from formal Old World to casual American Heritage, are characterized by symmetric profiles, unique glass and fabric shading, as well as refined painted, bronze and brushed pewter finishes. While continuing the trend of rich bronze tones, Kichler also explores fresher, cleaner designs with lighter accents – all while maintaining classic charm.

Chandelier 42169 HB
Sconce 45068 HB*

Hanna™

The statuesque Hanna™ Collection by Kichler® demands attention with its large scale slender design, classic Heritage Bronze Finish and highly polished K9 crystal center font. Its gorgeous simple lines and ornate banding are perfectly complemented by stunning Mica Shades atop individual K9 crystals that beautifully reflect warm, inviting light.

Open House™

The distinctive Open House™ Collection imparts exotic elegance and charm with its Vintage Natural Brass finish, handcrafted glass, and bold yet simple lines. Most noteworthy, however, is the traditional pineapple design. For centuries, the pineapple – a universally recognized symbol of hospitality – has welcomed friends and family.

Casual Transitions

With everything from eclectic to casual chic, variations run rampant in our Casual Transitions Collections. This unexpected combination of elements works well with today's diverse lifestyles, complementing both relaxed and formal decors. Our Casual Transitions styles unite traditional and contemporary, equating to a classic, timeless design; while our more daring eclectic styles merge elements from different cultures, time periods and style categories.

*Shown:
Montara™ Collection
Linear Chandelier / Island Light 42177 01*

Montara™

The relaxed Montara™ Collection blends Olde World styling with a hint of modernism. Featuring a textured Olde Iron finish, its unadorned linear composition is carefully balanced by stunning curved sheets of Textured Linen glass. Each glass sheet gingerly surrounds Umber-Etched Cylinders to create a demure layered effect.

Today's Living

Today's Living style is personified by simple yet sophisticated finishes and forms. What it lacks in ornamentation, it makes up for in bold geometry with straight lines and rounded profiles. These innovative styles also maintain a rare balance of attributes, making them a popular choice among today's most discerning homeowners.

Palla™

The striking Palla™ Collection by Kichler® is the essence of contemporary with sleek, smooth lines, a unique fluted center column and mirrored Polished Nickel finish. Its sweeping profile, powerfully dense arms and attractive White-Etched glass shades make a bold statement in any room of your home.

Reynes™

The Kichler® Reynes™ Collection represents a design breakthrough by cleverly pairing a mirrored Chrome finish with subtle crystal accents. To achieve this unusual look, the flowing design is highlighted by tall Opal-Etched glass shades atop polished K9 crystal disk. The disk detailing is repeated on both the top and bottom of the dynamic center column.

Legend

Hybrid = This symbol indicates the product best suited for Indoor use with self ballasted, compact fluorescent lamps sold through electrical distributors and lighting showrooms across the U.S.

Hybrid OD = This symbol indicates the product best suited for Outdoor use with self ballasted, compact fluorescent lamps sold through electrical distributors and lighting showrooms across the U.S.

(C) = Candelabra based lamp (E-12).

(M) = Medium based lamp (E-26).

✓ = Fixture requires supply wire rated for at least 75° C.

❖ = Fixture requires supply wire rated for at least 90° C.

☆ = When electrical connection is made inside the fixture, supply wire must be rated at least 75° C. When electrical connection is made in an outlet box, supply wire must be rated at least 60° C.

ⓘ = Installation Instructions: Fixture must be supported independently of the outlet box unless the outlet box is UL listed for the weight to be supported. Consult a qualified electrician / installer. Required installation parts included.

= Many of the products in this catalog have the Energy Star logo. This identifies lighting that uses 2/3 less energy than conventional lighting and lasts six to 10 times longer. For more information, visit www.energystar.gov.

= Title 24 refers to the California Building Standards Code. All lighting fixtures in this catalog that comply with the October 1, 2005 revision of the California Title 24 standards are marked with the T24 logo. For more information, visit www.energy.ca.gov/title24.

- Bulbs not included unless otherwise noted.
- Wattages stated are the maximum recommended; however, you may use lower wattage bulbs to suit your lighting needs. Some recommended bulbs are not available in the maximum allowable wattage.
- All electrical products are rated as 120-volt, AC unless otherwise noted.
- All electrical products are certified and listed to UL/CSA Standards for use in U.S.A. and Canada except where noted.
- All products featured in outdoor section are certified and listed to UL/CSA standards for wet location except where noted.
- All chain drop products equipped with at least 72" of chain.
- On some products, in order to accommodate higher than normal ceiling heights, extra lead wire is supplied and specified. With additional sections of chain (not included), this allows an added measure of design flexibility.
- Many long life tungsten halogen capsule lamps are now available as alternates to conventional incandescent light bulbs. The halogen capsule lamps may be used to replace any lamp of a HIGHER wattage, but not to exceed the existing specified maximum wattage, i.e., 72-W. may replace a 75-W.
- Finishes for fixtures installed outdoors are subject to change due to prolonged exposure to sunlight, airborne pollutants and other forms of weathering.
- To serve you better, Kichler® Lighting reserves the right to make improvements to the products in this catalog. Therefore, some products may change during the life of the catalog and the product information contained in this catalog may also have changed.
