Classic

Classic

Unique objects, thanks to which light defines, cradles, personalizes space.

A style born in the heart of Tuscany, where tradition and skill, a crafts vocation, and attention to detail express the unparalleled quality of Made in Italy. Versatility in production, a willingness to meet individual needs, new customer services: years of experience and dedication to our work, in which technical know-how and aesthetic sensitivity unite to tailor solutions to any type of request.

Masca is classic: measured, harmonic light, precious
